Great Room

# Valmoré

Nestled on the Mountain Village Center's most prestigious lot, generously sized at 0.93 acres, and overlooking the Lift 4 ski runs and the hub of the Village, this ski-in/ski-out retreat is a mountain haven in material form and a dream-come-true for only one extraordinary buyer.

Valmoré features 7 bedrooms, including 3 masters and a fourth-floor kids' room, 8 bathrooms and 2 powder rooms. Only minutes from the historic Town of Telluride via gondola, this home offers breathtaking scenery combined with proximity to the Telluride area's multitude of amenities.

The home accesses See Forever ski run from a ski room with convenient ski racks, boot dryers, heated seating and floor drains to catch melting snow. The spa/massage/exercise area is adjacent and features a sauna, steam room and heated terrace with hot tub.

Valmoré boasts a blend of rugged alpine architecture and modern conveniences, from Australian cypress floors and heated flagstone entry to state-of-the-art lighting, in-floor and forced-air heating, air conditioning, elevator, security and humidification systems.

Kitchen

Bar/Lounge

The designers incorporated exceptional features such as an extensive family room and media area with wet bar and lounge on the lower level, an extraordinary eat-in wine room that will accommodate 1,000+ bottles, gourmet kitchen with butler pantry, expansive home office with built-ins, guest apartment above the garage with a separate entry, five indoor fireplaces and one outdoors, a heated auto court, decks, and terraces.
